### Handbook of Cliometrics

- ▶ **Constitutes a comprehensive reference work in historical economics and econometric history**
- ▶ **Outlines the contributions of cliometrics to a variety of Topics**
- ▶ **Engages economists, historians and social scientists to participate in a world-wide forum of discussion**

The Handbook of Cliometrics is a milestone in the field of historical economics and econometric history through its emphasis on the concrete contribution of cliometrics to our knowledge in economics and history. The articles in the handbook authored by the leading scholars in the fields, stress the usefulness of cliometrics for economists, historians and social scientists in general. The Handbook offers a comprehensive coverage of topics with each article providing an overview of the contributions of cliometrics to a particular topic. The Handbook sets a new standard of quality in the field by offering a world-wide forum of discussion in cliometrics.
